Defendants Consolidated Lawsuit

**TO THE HONORABLE JUDGE OF SAID COURT:**

COME NOW ANTHONY HENDERSON AND ARTS & ARTISTS INC. the plaintiff in the above entitled and numbered cause and respectfully moves this court grant this civil consolidated lawsuit against the defendants owners of the NFL, Bill Bidwill, Arthur Blank, Steve Bisciotti, Kim & Terry Pegula, Jerry Richardson, Virginia Halas McCaskey, Mike Brown, Jimmy Haslam, Robert Wood Johnson IV, Carol & Mark Davis, Jeffery Lurie & Christian Wiess Lurie, Art Rooney II, Jed York, Paul Allen, Bryan Glazer, John Mara, Steve Tisch, Susie Smith, Amy Strunk, Susan Lewis, Barclay Adam, Kenneth Adams, Dan Synder, Jerry Jones, Pat Bowline, Martha Ford, Green Bay Packer Inc., Robert C. McNair, Jim Irsay, Shahid Khan, Clark Hunt, Alex Spanos, Stan, Kroenke, Stephen M. Ross, Zygi Wilf, and Robert Kraft.

1.

The case of Anthony Henderson Case No: 4:17-cv-00 100 Anthony Henderson & Arts & Artists Inc. et al v. Nike, NFL, NBA, NCAA, MSL, Wal-Mart, Adidas, Citi-Trend, Under Amour, And 1, Family Dollar et al is presently at the default stage of this case without none of the defendant responding or reply the plaintiff lawsuit or settlement terms and conditions. The plaintiff demand several time that the defendant no longer televise his company product design concept on the NFL football broadcasts. The plaintiff also filed sanctions against all of the defendants.

2.

Presently I the plaintiff awaits the Default Hearing to close the case. The defendants are presently in contempt of court for not providing disclosure to the plaintiff, to the court, and to Judge Sim Lake in which was ordered by the court. I discovered on Sunday October 29, 2017 while watching a NFL football television broadcast I notice NFL has refuse to remove the Nike the logo from thigh location on their football uniform after and demanding and asking them since December 1, 2015 and they continue to engage in Copyright Infringement, Intellectual Property Theft (**The Stealing Of Ideas, ), Conspiracy, and Racketeering.**

3.

My company have no other choice but to hold NFL Commissioner Roger Goodell and every NFL owners, financially, and criminally responsible and accountable for the acts racism and economics damages against my company over and over again. The defendants not only continue to copyright infringe on company product design concept. They continue to aggravated the situation and the lawsuit by stealing my company Number Hoodie Design Concept without once again having a copyright licensing agreement put in place and once again not compensating company for its Hoodie Number design concept. Also I report these incident to Houston Police Department. My company position in the Disclosure Settlement Terms and Conditions and Default Summation. My company do not want to do business with the present management under the leadership of NFL Commissioner Roger Goodell.

4.

My company position by the NFL televising my company Hoodie Number Design concept on their television broadcast was a spiteful racist act of retaliation against my company product, product image, and personally racist attack against and my company. The NFL who has America history of breaking racial barrier as a legacy American corporation and can't believe they are acting and engaging in these type of racist discriminatory tactics. When they have a football field filled with black players who have model my company Number Hoodie Design Concept and the Nike/NFL Uniform with Nike brand on it thigh on last Sunday televised game. I don't know what is wrong with the NFL who continue want to inflame this legal grievance and create additional lawsuit of fine American Sport Industry. It appear that the NFL and its athletes are more interested and is more focus in making a football Hip-Hop fashion statement than playing football because their illegal focus on my company Hip-Hop Fashion design concept.

5.

Personally, me and my company regret that we have to file another lawsuit against NFL because they will not adhere to God Law, Man Law, and Law of Land because in the United States of America it is against God Law, Man Land, and the Law of the Land to steal. The NFL has violated my company economic rights and practiced their form of racism and economic discrimination against my company again and again. But not only that under the present leadership of NFL Commissioner Roger Goodell they have disrespected and violated my humans rights, my civils rights, my constitutional rights and the economic rights of my corporation. I filed this because I don't think the NFL under the present leadership will listen nor obey laws against copyright infringement and intellectual property theft in the United States Of America and we are forced to charge them again with Racketeering my company design concept, copyright infringing, again engaging intellectual property theft against my company, product concept development fraud, and conspiracy against my company.

6.

Because of my poverty and because could not find any legal representation I pray the court will allow me to file this petition and lawsuit In Pro Propria Persona. Wherefore, the plaintiff pray that court grant this lawsuit and rule in the favor of the plaintiff against each defendant with all prejudice in the amount of \$25 Million Dollars per defendant for Copyright Infringement, Intellectual Property Theft, Conspiracy, Racketerring, Civil Rights, Constitutional Rights, and Human Rights violation, damges, puntiative damage for corporate conspiracy, corporate
